

## **WE ARE HERE TO HELP WITH YOUR ANIMALS!**

Ribsey's Refugees and Happy Hound Hotel are working with local pet care providers to help first responders, health care workers and medical professionals during this current health care crisis!

If this is you, and your pets need assistance while you are on the front lines of the COVID-19 crisis - please contact us!

We will check on your animals, making sure they have food/water and a walk so you can continue to save lives and knowing your pets are being cared for! We have a wealth of qualifications and experience amongst us and can handle difficult dogs and cats, birds, reptiles, exotics, and can also provide short-term boarding services for your dog(s) if needed (transport included).

Our services will be free of charge, and there is no obligation to donate. However, any donations received will be used toward gas and processed through our non-profit 501c(3) org. so we can provide a tax receipt for you.

Areas of coverage include Sammamish, Issaquah, Redmond, Bellevue, Hobart, Renton, Maple Valley, Carnation, Fall City, Preston, Snoqualmie, North Bend, Duvall. Please contact us if your location is not listed and we will do our best to try and work something out for you.

Principal caregivers - Joseph G. Johnson, III, Darcy Rea, Corina Johnson, Linda McCoy  
Add'l. volunteers are thoroughly screened and managed by us.
